Trust performance is net of management fees and costs and transaction costs, includes dividends and other earnings and assumes the reinvestment of distributions. Past performance is not indicative of future performance. Dimensional does not guarantee the performance of any trust or strategy referred to, the repayment of capital or particular rates of return. Performance figures are as at the date shown and are subject to change; therefore current performance may be higher or lower than the performance shown. Returns for periods shorter than one year are not annualised. Investors should consider the current PDS in deciding whether to invest in the trusts or to continue to hold their investments in the trusts. A copy of the most current PDS is available at www.dimensional.com/au-en/funds. The trust is not managed with the objective of achieving a particular return relative to a benchmark index. A reference index has been provided for comparison purposes only and is not intended to represent the current or targeted asset allocation. Trust performance may differ significantly from the reference index.

All figures are measured in Australian dollars unless stated otherwise.
